

International Disruption RFC11 Amber

Since **25.09.2021, 15:03** we have an **International Disruption** on **RFC11 Amber** between stations **Sered'** and **Siladice (Galanta – Leopoldov line)**.
red line on the map below 

Estimated duration:

Currently unknown, the passability at least one of the two tracks is considered.

Reason: an accident

The freight train Nex 44800 derailed (11 freight wagons). **Both tracks bed structure of line are damaged and several catenary masts are broken (cca 1,5 km).**

International Freight-Trains have to be rerouted by concerned Railway Undertakings:

- via **Leopoldov – Trnava – Sered' - Galanta – Štúrovo – Szob**
green line on the map below 

Alternatively:

- via **Leopoldov – Trnava – Bratislava-Rača - Bratislava-Vajnory – Galanta – Štúrovo – Szob**
yellow line on the map below 

Number of rerouted trains on rerouting lines: 8-10 trains per 24h
